The UNESCO Institute for
Lifelong Learning is a non-profit,
policy-driven, international
research, training, information,
documentation and publishing
centre of UNESCO. It is one of seven
education institutes of UNESCO.

While programmes of the Institute
are established along the lines laid
down by the General Conference
of UNESCO, the publications of
the Institute are issued under its
sole responsibility; UNESCO is not
responsible for their contents.
The points of view, selections of
facts, and opinions expressed are
those of the authors, and do not
necessarily coincide with official
positions of the UNESCO Institute
for Lifelong Learning.

The designations employed and
the presentation of the material
in this publication do not imply
the expressions of any opinion
whatsoever on the part of the
UNESCO Secretariat concerning the
delimitation of the frontiers of any
country territory.
